

License Agreement for Free Datasets

..... date of agreement (date of first download)

This Agreement is made and entered into by and between:

TAA “Kantynent Infarmatsyynyya Tekhnalogii”
TAA «Кантынент Инфармацыйныя Тэхналогіі»

— further referred to as “Kantynent” — the developer of the Product providing it for use by Licensee,

— further referred to as “Licensee” — a company or an individual wishing to use the Product as part of its business activities or for personal use.

..... Licensee name or company name

1. Definitions

- 1.1. “*Product*” means an integrated collection of logically related records or files consolidated into a common pool, provided in form of computer file(s) of specific standard, agreed upon between Kantynent and Licensee.
- 1.2. “*License*” means a right to use the Product for the purpose of Licensee activities.
- 1.3. “*Derivative Document*” means a computer file or a hard-copy document that was created using the Product and that contains (additional to the Product or portion thereof) other data.

2. Product

The Product consists of the data units indicated by checkmarks in the following table:

Detail level	Oblast
Data unit	Administrative division of 2nd level
Boundaries	<input type="checkbox"/>
Population	<input type="checkbox"/>
Gender structure, age groups (ordered only with Population)	<input type="checkbox"/>
Average salary	<input type="checkbox"/>
Household quantity and size	<input type="checkbox"/>

3. License grant

- 3.1. Kantynent grants Licensee a non-exclusive non-transferable License.
- 3.2. The License is granted for 99 (ninety nine) years counting from the date of this Agreement.
- 3.3. Licensee is not allowed to transfer the License to a third-party either for compensation or for free.

4. Price

- 4.1. The License is granted to the Licensee for free.

5. Intellectual property rights

- 5.1. TAA “Kantynent Infarmatsyynyya Tekhnalogii” is the owner of copyright in the Product.
- 5.2. Under no circumstance shall copyright in the Product pass from Kantynent to Licensee or a third party.

5.3. Kantynent has the right to terminate this agreement unilaterally at any time should it receive proof of violation of its intellectual property rights by Licensee or its affiliates (owned, partially owned or otherwise controlled legal entities).

6. Utilization of the Product

- 6.1. The utilization of the Product can only take place within the Licensee organization.
- 6.2. Licensee is allowed to convert the Product to a different computer file format. However, the result of such conversion is considered to be a copy of the Product and is equivalent to the Product.
- 6.3. It is not allowed to publish, i.e. allow access to the Product as a whole or portions thereof on any network. Should Licensee require such publishing rights, it is obligatory to obtain additional network license from Kantynent.
- 6.4. Licensee is not allowed to make any modifications to the Product.

7. Derivative Documents

- 7.1. Licensee is allowed to create Derivative Documents from the Product.
- 7.2. It is allowed to publish Derivative Documents on the network.
- 7.3. It is necessary that each page (screen, or other logically separate part) of the Derivative Document, containing portions of the Product, includes the clearly legible label:

Source data: Copyright © TAA «Kantynent Infarmatsyynyya Tekhnologii», 2014

with reference to the actual position of the displayed portion of the Product. If no actual portion of the Product is displayed or printed in the final Derivative Document, the aforementioned label must be positioned at the end of the Derivative Document.

- 7.4. Licensee is not allowed to transfer Derivative Documents to third-party through sale, rent, hire, lease, licensing, gratuitous transaction or otherwise.
